*Hudson, MA – October 13, 2009* – AIS will exhibit at NeoCon East, the premier design exposition for commercial interiors with a focus on the Federal Government, October 28-29<sup>th</sup> at the Baltimore Convention Center, Baltimore, MD. The company will display its newest commercial office furniture system enhancements in booth #2123.

This year AIS will feature its Matrix product line with integrated benching components for an updated modern look that addresses the need for enhanced storage and guest seating space in a modest footprint. AIS' most cost-efficient product line, DiVi, will also be present illustrating the system's strengths and aesthetic options.

Making its debut at NeoCon East, the AIS Technical Table will be available for demonstration and customer feedback. The Technical Table features enhanced electrical and data capacity and is offered at an attractive price point; it is ideal for Disaster Recovery and Business Continuity applications.
