This warranty is given to the initial purchaser and is valid for as long as the product is owned by the original Buyer. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to AIS within the applicable warranty period, AIS (at its option) will either repair or replace the defective product with a comparable component or product. The limited lifetime warranty applies to all products regardless of the number of shifts the product is used each day except as noted below.

AIS Seating normal use as defined under this warranty is the wear and tear that occurs during a 40 hour week when the product is used by a person weighing 300 pounds or less. *Granite is warranted for five years and rates for a person weighing 250 pounds or less. AIS will not warrant any altered components or parts.

This warranty shall not cover labor or delivery charges and does not apply to items subjected to abuse, misuse, neglect, alteration, damage cause by shipment, storage, accident, fire, flood or act of God. The limited warranty is the sole remedy for product defect and no other expressed or implied warranty is provided, including but not limited to any implied warranties of merchantability or fitness for a particular purpose. A customer's exclusive remedy with respect to any and all losses or damages resulting from any cause whatsoever shall be repaired or replaced as specified above.

It is at the sole discretion of AIS to make a determination if a defect is due to improper product installation.

THIS LIMITED WARRANTY IS THE SOLE REMEDY FOR PRODUCT DEFECT AND NO OTHER EXPRESS OR IMPLIED WARRANTY IS PROVIDED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Review your acknowledgment thoroughly. All dates below are from time of acknowledgment.

Freight Policy

FOB origin, freight pre-paid. Delivery includes standard Monday through Friday 7am to 5pm deliveries.

Tracking Shipments

You will receive an email confirmation once your order has shipped that includes the following information: carrier, contact information and shipping reference number. AIS strongly encourages you to contact the carrier in order to track your shipments closely for an estimated delivery date.

Guaranteed Deliveries

AIS will gladly accept requests for delivery times and for drop-shipments to job sites on full truckload shipments. AIS is not able to guarantee specific delivery times for any less than truckload (LTL) shipments. Please contact AIS Customer Service if you require delivery on a specific day during standard business hours and for a non-rushed shipment. We offer a guaranteed two hour window receipt on full truckload shipments for \$250 for one truckload, or two or more truckloads for \$500 during standard business hours. Your CSR must be notified a week prior to your ship date otherwise additional fees may apply. After-hours, holiday and weekend shipments may be arranged for an additional charge on full truckload shipments. Please contact AIS Customer Service for those rates. Please note that in the case of a missed guaranteed shipment the carrier is only liable for that additional charge, not for labor or other damages.

Call Before Deliveries

You may arrange a delivery with the carrier by noting "Call Before Delivery" on your order, which will typically delay receipt of the product to you by about one day. You cannot add a call before delivery on a truckload shipment if you also have a guaranteed delivery arranged. Please note that call before deliveries are estimates only and should not be used when shipping direct to a job site. AIS is not responsible for any damages incurred for any late deliveries, including labor or any other charges resulting from unforeseen delays by any AIS or dealer chosen carrier. AIS strongly urges dealers to take into consideration the risk that carriers typically allow for a two-day delivery range.

Consolidating Orders

AIS acknowledges orders with a two day ship date range. We are committed to shipping your products within that acknowledged range. Shipments may be combined and consolidated in order to create a full truckload shipment. Shipments may also be hand load- ed in order to avoid LTL spillover. Full truckload shipments have less variable transit times as well as significantly less freight damage. Our goal is always to provide you with the best possible delivery service. Transportation efforts are managed as part of an ongoing effort to improve AIS's transportation efficiency thereby saving fuel, reducing emissions, and reducing air pollution associated with AIS's transportation activities.

Please note:

Dealer may incur additional carrier Accessorial Fees if not specified and quoted at the time of order for the following, which may include but are not limited to:

- No loading dock
- Redirect of product
- Refusal of product
- Storage
- Special truck size (standard is 53" trailer)
- Street unloads
- Lift gate requirement
- Detention charges after 2 hours of unload time for TL and 30 minutes for LTL

Deductions

Deductions from invoices are not allowed, for any reason, without authorization from AIS.

Delay of Shipment

Acceptance of AIS acknowledgment confirms order ship date. If dealer requests delay of shipment for any period greater than one day from scheduled ship date, storage fees will be assessed. Dealer must submit purchase order for estimated storage costs.

Freight Claims

AIS will file freight claims for loss or damage if policy is followed. In order to make this policy maintainable, certain requirements must be met by the consignee in accordance with freight laws and carrier policies. These requirements are as follows:

All damage or lost freight should be reported to AIS within 72 hours of receipt. In the case of obvious damage, it must be noted in short detail on delivery receipt (i.e. scratched surfaces, dented cartons, missing pieces).

- If missing or damaged freight is discovered after receipt is completed, consignee must notify Carrier or AIS within 72 hours and request a corrected delivery receipt acknowledging loss or damage.
- A detailed list of missing or damaged pieces is required in order to assess the value of the claim. Upon receipt of this information, AIS will contact the carrier and request an inspection or waiver thereof.
- In the case of concealed damage, AIS must be informed within 10 days of receipt of product. All damaged product and pack- aging must be preserved as received pending an inspection or waiver of inspection by the carrier. All product that has a claim pending against it must be available for carriers to salvage once the claim is paid.
- It is highly encouraged that digital photos are taken of any suspected freight damage. Photographic evidence substantiating claims should be provided electronically to AIS.
- Any failure to adhere to these policies and procedures will result in claim responsibility shifting from AIS to the consignee.

Force Majeure

Seller shall not be liable for failure to perform or for delay in performance due to fire, flood, strike, or any other labor difficulty, act of God, act of any governmental authority or of the Purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations or due to any cause beyond its reasonable control. In the event of delay in performance due to any such cause, Seller reserves the right to extend the date of delivery or time for completion by a period of time reasonably necessary to overcome the effect of such delay, to allocate any available supply of goods in a manner it deems reasonable, or to cancel any purchase order.

Liability

Seller, its contractors, authorized dealers and subcontractors or suppliers of any tier shall not be liable in contract, in tort (including negligence and/or strict liability) or otherwise for any special, indirect, incidental or consequential damages whatsoever, including, without limitations, damages or loss of other property or equipment, loss of profits or revenue or loss of use of equipment (including additional expenses incurred in using existing facilities).

The remedies set forth herein are exclusive, and the liability of Seller with respect to any contract or anything done in connection therewith, such as the performance or breach thereof, or from the manufacture, sale, delivery, resale or use of any Product covered by or furnished under the order, whether in contract, in tort (including negligence and/ or strict liability) or otherwise shall not exceed the price of the Product or part on which such liability is based.

Local Codes

Seller considers its product to be office furniture and subject to all applicable local re, electrical and building codes. Since local codes may vary, the purchaser is responsible for the proper application and installation of AIS product in accordance with the requirements of these local codes. Seller shall not be responsible for any damages or expenses resulting from Purchaser's specifications not conforming to the requirements of the law or local building codes, unless it specifically agrees in writing to do so. Since Seller has no control over the use to which others may put its Products, each user or specifier should determine the Products' suitability for the particular application.
