# Cantilevered Height Adjustable Table

## INCREASING ERGONOMICS IN THE PRIVATE OFFICE

The Calibrate Cantilevered Height Adjustable Table takes private offices to new heights. Easily integrate as a primary or secondary worksurface while ensuring optimal comfort and health with this sit-to-stand option. The Cantilevered Height Adjustable Table refines the aesthetics of height adjustability and blends effortlessly into the overall look while supporting various work postures throughout the day.

Cantilevered Height Adjustable Table incorporated into a private office
