

# CALIBRATE® SERIES

Executive Floating Height-Adjustable Desk

**AIS**

# MODERN DESIGN DELIVERS COMFORT IN THE EXECUTIVE OFFICE

The refined Calibrate Executive Floating Height Adjustable Desk brings an elevated modern design with ergonomic comfort to the private office. Users appreciate optimal convenience and health with this sit-to-stand desk that supports posture shifts throughout each day. With a modesty panel that moves in sync with worksurface at the touch of a button, private offices reach new heights with simplified beauty. Plus, its shared finishes and dimensionality throughout the AIS product portfolio allows the Executive Floating Height Adjustable Desk to blend effortlessly within the office.

Create a lasting impression while providing ergonomic support by pairing with Auburn, Bolton, or Devens executive seating.
