

CALIBRATE® LOCKERS

Laminate Storage

AIS

HOME BASE FOR THE SHARED WORKPLACE

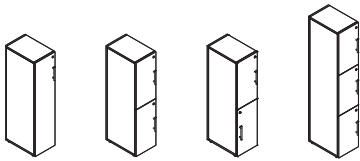

The extensive line of Calibrate Storage elements include lockers that can house personal items when in a shared group space. Available with or without digital locks, Calibrate Lockers consolidate storage away from the workspace and secure a spot to stow personal belongings. Group lockers together to double as a storage island for casual meetings or to create division of space.

Lockers are available as single, 2-high and 3-high up to 74". With an extensive statement of line, broad finish selection and choice of pulls, it's easy to support a wide variety of stow-away needs.

Single, double, and triple high configurations used alone or positioned together

Statement of Line

See pricelist for complete statement of line.
