

CALIBRATE® SERIES

Reception Stations

AIS

WE'VE GOT YOUR RECEPTION STATIONS COVERED

The Calibrate Series Reception Stations expand this popular line of laminate solutions, making it easy to keep design continuity across your organization. Now it's possible to specify the same finishes from reception, to open plan offices, to private spaces and into meeting areas with the Calibrate Series. Choose from a wide variety of finishes and hardware options to create exactly what you need.

Calibrate Series Reception stations are available with countertops or 28" high privacy stack-ons.

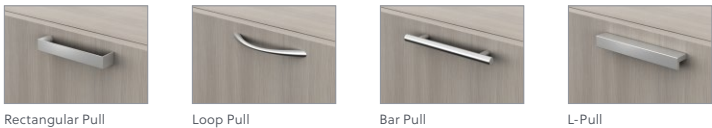

Laminates

The Calibrate Series features a wide range of finishes—expanding your design possibilities and ensuring you can create just the space you need.

Make it Personal

The Calibrate Series offers many hardware options that allow you to express your style. Take your pick.

Availability of materials shown in images may vary due to manufacturers' lifecycle management. Some materials shown are standard on AIS and some are COM. Please check with AIS to confirm availability and pricing.
