CALIBRATE SERIES LAMINATE STORAGE

Personal storage that effortlessly integrates with all AIS systems.

Inspiration comes easily with the Calibrate Series Storage elements. Its extensive statement of line, broad finish selection, and choice of pulls mean there's something for practically everyone.

AIS quality and details make an impact and make the difference. With robust construction, tight tolerances, precision ball bearings and heavy weight shelf supports, the Calibrate Series will perform year after year. And with dozens of design options — including elevated feet — it's easy to support the widest variety of storage needs. Explore the choices, they're all yours.
