

CHATHAM COVE™

Work Lounge

AIS

PRIVATE, YET ACCESSIBLE RETHINK THE WAY YOU WORK

Chatham Cove supports the need for alternative workplaces within the open plan. Whether individual users or small groups gather, Chatham Cove ensures they have all they need for comfort, focus, and convenience.

Beautiful laminate and the structural O-Leg base combine to create this light scale work lounge. Specify alone, or combine in a variety of ways to support your needs.

Chatham Cove delivers choices. The line includes a single seat lounge that can be specified in pairs to create a two-seat application. Choose from low, medium or high laminate privacy surrounds and two- or three- sided configurations.

Features

- Single Seat
- Two- or Three-sided Surround
- Two-sided single seats can be ganged together to create a settee application
- Surround height: 34", 50" or 58"
- Overall depth: 30"
- Overall width: 42"
- Back cushion height: 34"
- Seat depth: 18"
- User shelf depth: 10.5"
- Storage cubby for personal items: 24.25"W x 10.5D x 16.75H

Options
