

Corporate Background

AIS, headquartered in Leominster, Massachusetts, is a leading manufacturer of commercial office furniture and seating.

Founded in 1989, the company is known for offering market-relevant, feature-rich product lines that entice designers and support the diverse needs of end-users while offering exceptional value. AIS serves its customers with relevant solutions for private offices, workstations, training rooms, social spaces, reception areas, conference rooms, and cafes.

As an innovator, AIS leads the industry in sustainable, lean manufacturing, lead-time performance and manufacturing flexibility.

Numbers At-A-Glance

- Over 1 million square feet office, showroom, and factory space in the U.S.
- 10,000 rooftop solar panels return to the grid over 50% of all our energy needs
