

ENCOUNTER™
PowerBench with H-Leg Base

AIS

ENCOUNTER POWERBENCH ELEVATE THE WORKPLACE

Encounter PowerBench evolves our popular PowerBeam product, adding ergonomics to the proven power platform. Height adjustable worksurfaces are integrated into the H-Leg base, optimizing health and comfort throughout the day. The structural metal H-Leg base option of Encounter PowerBench brings a modern design with a light aesthetic. Even better, choose from 20+ paint colors for the H-Leg, ensuring a range of moods can be created with Encounter PowerBench.
