ENCOUNTER™

PowerBench with H-Leg Base

AIS

ENCOUNTER BENCH

ELEVATE THE WORKPLACE

Encounter Bench evolves our popular PowerBeam product, adding ergonomics to the proven power platform. Height adjustable worksurfaces are integrated into the H-Leg base, optimizing health and comfort throughout the day. The structural metal H-leg base option of Encounter Bench brings a modern design with a light aesthetic. Even better, choose from 20+ paint colors for the H-Leg, ensuring a range of moods can be created with Encounter Bench.
