# ENCOUNTER POWERBENCH

## QUIETLY OPTIMIZING THE WORKPLACE

Encounter PowerBench evolves our popular PowerBeam product, adding ergonomics to the proven power platform. PowerBench optimizes space while fostering collaboration among employees thanks to its simple, succinct kit of parts. Its laminate, enclosed laminate base conceals the height-adjustable legs, creating an upscale and quiet design. PowerBench provides a feeling of permanence, offering users a strong sense of place in an ever-changing workplace.

*PowerBench two-sided application*
