

AIS

Hats off to another year—time to celebrate!

NeoCon 2019 is on the horizon. This June, we have many reasons to celebrate. We're enjoying 30 years of serving our dealers, launching new products, and unveiling a showroom that has grown by more than 40% this year.

New Products Designed For You

Calibrate® Community We put our thinking caps on when we designed Community. As an extension of our Calibrate Series, this scalable benching system combines the elements of a private office and the warmth of residential furniture with the efficiency of an open panel system.

Seating AIS has the seating to fill the building—from task to lounge to café. Stop by our seating display to test out our new Product Stylist to configure and visualize an AIS task chair unique to you.

Day-to-Day™ PowerBeam Power up with PowerBeam. This slender beam supports Day-to-Day tables to create a highly efficient, ultra-flexible desk system. Changes happen at the drop of a hat without losing connection.

We can't wait to see you in Chicago and catch-up!

NeoCon - Chicago, IL

Monday, June 10–Wednesday, June 12

Merchandise Mart - Floor 10 - Space 1086
