Calibrate® Laminate & L Series Steel Storage

AIS

### CALIBRATE LAMINATE STORAGE

Calibrate laminate storage elements - including lateral files, bookcases, pedestal files with hidden drawers, wardrobes, suspended storage, and pull-out pantry towers- maximize storage capabilities in just about any office environment. Personal Storage has expanded, with locker options to support the evolving workplace where hoteling and hybrid work have become more common. Locks are optional on all of our storage elements, ensuring security for users. This extensive statement of line, along with a broad finish selection, and choice of pulls and lock finish options means there is something for everyone. With robust construction, tight tolerances, precision ball bearings and heavy weight shelf supports, Calibrate Storage will perform year after year.

# L SERIES **STEEL STORAGE**

L Series is a dynamic steel storage solution, ranging from single pedestals to full storage banks and beyond. This comprehensive line has everything to support your workplace storage needs. Choose from a variety of options – including laminate file wraps that integrate beautifully with other AIS products. L Series storage elements come standard with locks, ensuring security for users when not in the office. Classic yet contemporary, L Series meets the needs of many users and easily integrates into any work environment.

#### **Calibrate Laminate Storage**

- Integrates with AIS and other manufacturers' workstations.
- Storage elements have 3 /4" thick case construction with 1 mm edge.
- File drawers have full depth, smooth-riding ball bearing suspensions and factory installed counterweights.
- Durable construction using cam and pin.
- Standard side-to-side hanging bars and optional front-to-back hanging rails ensure maximum filing capacity.
- Suspended files have a power option that includes 3 outlets and 2 USB charging ports.
- Locks are available in silver or black. A no-lock option is also available for a clean aesthetic. Locks are field installed.
- Slim Pull is unavailable on doors. Combination units specified with slim pull will come standard with touch-to-open doors and no pull.
- 1" leveling glides provide adjustment of files on uneven floors.
- Storage elements include optional 2.5" elevated feet.
- Standard 15" wide pedestals come with pencil trays.
- · Ships assembled.

#### L Series Steel Storage

- Integrates with AIS and other manufacturers' workstations.
- Lateral files accommodate letter, A4 and legal-sized filing and include front-to-back conversion bars for each drawer.
- Standard side-to-side hanging bars and optional front-to-back hanging rails ensure maximum filing capacity.
- 2-Drawer lateral files have an overlay front. 3, 4 and 5-Drawer lateral files have picture frame fronts.
- File drawers have full-depth, smooth-riding ball bearing suspensions.
- 2-Drawer lateral files come standard without top for use under worksurface. Available with painted metal or laminate top for a small upcharge. Conversion kits include counterweights.
- Lateral files may be wrapped in laminate as an option. (Single or double deep and two or three high).
- 5-Drawer lateral files feature a recessed flipper door on the top drawer with a roll-out file shelf.
- All storage pieces come standard with silver locks.
- 1" leveling glides provide adjustment of files on uneven floors.
- Standard 15" wide pedestals come with pencil trays.
- · Ships assembled.

# **MATERIALS & FINISHES**

Grade A Laminates for Calibrate Storage and L Series Storage Fronts

### **Pull Options**

All pulls available in all paint colors. Slim Pull only offered on Calibrate laminate storage drawers - not doors. (Unavailable on L Series). Calibrate combo units with Slim Pull drawers will have standard touch-to-open doors without pulls. \*Paint finish only. (Not offered in raw metal finish). Note: Slim Pull upcharge applies. (See pricelist).

L Series is standard with Rectangular Pull. Bar, Loop, and Rectangular pulls are available with an upcharge and field installation.
