

CALIBRATE® SERIES

Height Adjustable Table Bases

AIS

HEIGHT ADJUSTABILITY SHINES IN THE EXECUTIVE OFFICE

The Calibrate Series now offers even more ways to design private offices with height adjustable tables and desks. Your options have expanded with an array of Calibrate height adjustable table bases.

Contain and Conceal

The Calibrate Series' broad line of storage elements were designed to seamlessly support height adjustable tables while effortlessly concealing the telescoping legs. Plus, you can choose bases with or without storage. Select bookcases, pedestals or lateral files to complete your space. The choices are yours.

Statement of Line

See Calibrate Series pricelist for full statement of line.

Make it Personal

The Calibrate Series offers many hardware options that allow you to express your style. Take your pick.

Rectangular Pull

Loop Pull

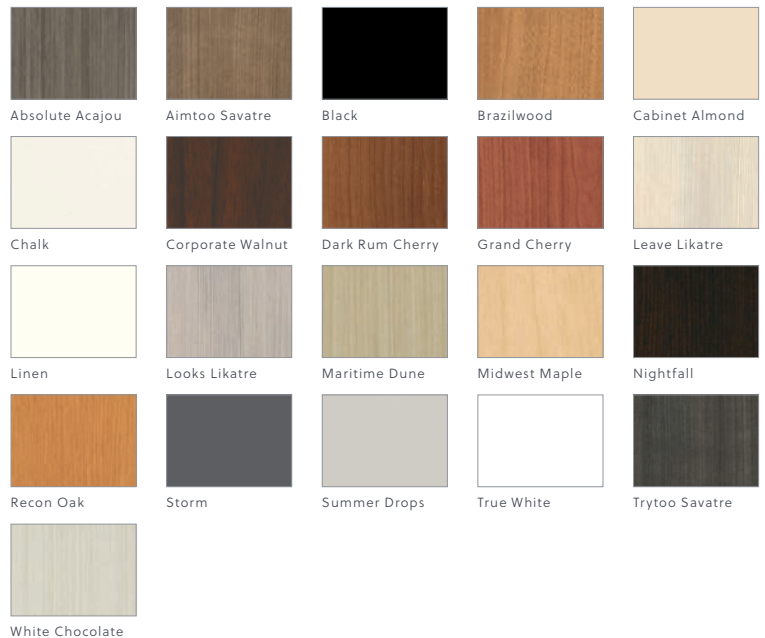

Bar Pull

L-Pull

Laminates

The Calibrate Series features a wide range of finishes—expanding your design possibilities and ensuring you can create just the space you need.
