

CALIBRATE® SERIES

Height Adjustable Tables and Bases

AIS

HEIGHT ADJUSTABILITY SHINES IN ANY OFFICE

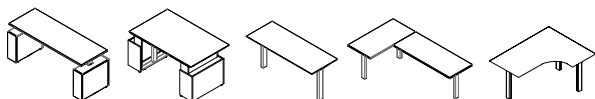

The Calibrate Series now offers even more ways to design private offices with height adjustable tables and desks. Calibrate height adjustable tables can be used alone or integrated into Calibrate Storage.

Height Adjustable Table Bases come with or without storage. Select bookcases, pedestals or fully enclosed table bases to complete your space.

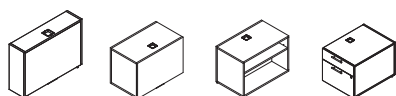

Features

- Electronic adjustment with soft start/stop and four memory presets
- Travel speed: 1.18" per second
- Dual motors (one in each leg)
- Soft collision technology that halts and retracts when table surface meets resistance
- 26.26" to 45.94" (no top) height adjustment range
- 250-lb. lifting capacity and two-stage legs
- Radius corners option on rectangle tops
- Choose from metallic silver, black or white leg finish
- Choose from T-foot base or laminate base
- Adjustable leveling glides
