Meeting Solutions

**AIS**

# PRESENT WITH CONFIDENCE. MOVE WITH EASE.

Designed for high-use environments, the Calibrate Mobile Lectern brings the same durability, flexibility, and smart functionality found throughout the AIS Calibrate Series to presentation spaces. Built from our trusted laminate casegoods construction, this lectern supports dynamic teaching, training, and collaboration with confidence and ease.

## FEATURES & BENEFITS

- The Calibrate Mobile Lectern offers secure storage, adaptable lower shelving, and mobile flexibility. An ideal solution for classrooms, conference, and training spaces.
- Ergonomically designed for comfortable standing use and active instruction without compromise.
  - Open shelving allows for quick access.
  - Lower adjustable/removable shelf provides easy customization.
  - Available with lockable doors for storage of personal items and technology, and adjustable/removable lower shelf for tailored storage needs.
  - Mounted on lockable casters, the lectern moves easily between spaces and can be positioned exactly where it's needed.
  - The laminate on the top is independently selectable.
  - Available in standard AIS Calibrate laminate finishes, ensuring visual consistency across casegoods, storage, and learning environments.

## Laminates

Select from a variety of Grade A laminates.

Availability of materials shown in images may vary due to manufacturers' lifecycle management. Some materials shown may be standard on AIS or COM. Please check with AIS to confirm availability and pricing.
