DAY-TO-DAY POWERBEAM: MEET THE POWER COUPLE

Ultra-efficient PowerBeam adds impressive capabilities to Day-to-Day tables. Available in multiple lengths, angles, and heights to optimize space within your floorplate, PowerBeam ties it all together, putting power just where it's needed.

Thousands of table combinations, and the power to support them. There's nothing this dynamic duo can't do.

Roll up, plug in and get to work.

Choose power access on one side or both

Bring power beyond the work station to an impromptu meeting space complete with whiteboards.

Connect power from floor, ceiling, or wall to every workstation

Two inches of levelling makes it simple to adjust, even across long runs.

Connections: Straight, 90° and 120°
Profile: 2.5 inches wide by 8 inches tall

Height: Choose 21, 25 or 29 inch
Length: 36 to 96 inch runs 6 inch increments

Support: PowerBeam can be supported by disc-base, post leg, T-base, end panel or storage
