

DAY-TO-DAY™
Table Collection

AIS

MONDAY MEETINGS. FRIDAY DEADLINES. AND EVERY DAY IN BETWEEN.

Our Day-to-Day Tables deliver value on day one. With a variety of top sizes and shapes, bases, laminates and edges, it's easy to find tables to perfectly support your teams. From collaborative and training spaces to task-focused areas, the broad offering gives people flexibility to meet, learn and work according to their day-to-day needs. You can even add occasional and nesting tables—or height adjustable options to bring greater comfort and flexibility into the workplace.

Minimum adornment. Maximum flexibility.

Integrate Day-to-Day tables with AIS systems and desking products or use as a standalone solution to create the spaces you need.

- Flip-top/nesting, height adjustable and fixed tables
- A variety of top shapes to select from
- Multiple base options in polished aluminum or painted finishes
- Available in 16", 29" and 42" heights
- Tables available with glides or locking casters
- 2mm or reverse knife edge options
- 20 Grade A laminate options
- Many power/data choices
- Over 6,500 table design possibilities
- For additional conferencing table solutions with laminate bases, please explore our Calibrate® Conferencing line

Laminates

Select from a wide range of finishes, and pair with multiple base and edge options to create just the table you need.*

*Not all laminates have matching edgebands. Alternatives can be specified.
