DESKTOP ORGANIZER

Keep your workspace tidy with an organizer that easily stores your personal items while keeping them within reach. The Desktop Organizer sits on top of your worksurface and is lightweight enough to carry with you if you change locations throughout the day. Its soft-grip handles make moves simple. The organizer includes a bookend and a pullout drawer with dividers to contain small items.

Desktop Organizer sits easily on all worktops.

Desktop Organizer in application with Encounter™ PowerBench.
