

DIVERSITY & INCLUSION

AIS is an Equal Opportunity Employer and maintains a work environment in which all employees are treated with respect and dignity.

“Our culture celebrates our authentic people. We embrace the uniqueness of each person because we know it’s the differences, when combined together, that set AIS apart.”

-Nick Haritos, President

"As a lean organization, we engage with many different departments, change hats and fill gaps – and it's essential that empathy for each other exists. Our "can do" spirit and collaboration at all levels drives the success of AIS and our support for the greater good."
