

# Who We Are

Ecoserv is Installnet's award-winning circular decommission program for used furniture and assets.

Our team of experts helps businesses recirculate assets in an economic, social and environmentally responsible way – all while cutting costs and saving time.

Our network of over 350 highly-qualified independent furniture installation companies provides decommission services for furniture, fixture and equipment across the United States and Canada.

## The Ecoserv Solution

### Economically Beneficial

Maximize financial returns

### Socially Responsible

Used furniture can get a new life through donation

### Environmentally Friendly

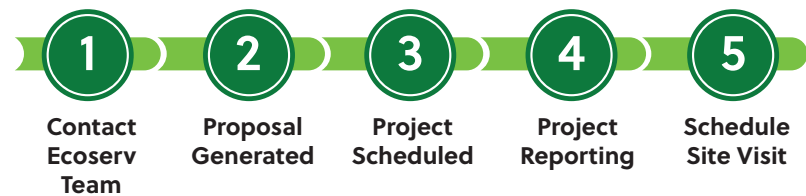

Small steps have a big impact on the environment

### Asset Reutilization

Reusing assets supports landfill diversion and the circular economy

## Metric Reporting

Diversion Certificate | By Project    Diversion Summary | Quarterly, Annually

Completed: January 2024 - December 2024

Number of Projects: 7

### RESALE

0 lbs.

### REUSE

143,908 lbs.

### RECYCLE

10,520 lbs.

### RELOCATE

0 lbs.

Total tons diverted  
from landfill

**77.2**

Total metric tons of CO2  
emissions reduced

**283.4**

Total percentage  
diverted from landfill

**44%**

Greenhouse gas emissions  
equivalent to

**61.07**

Passenger vehicles driven  
in one year

CO2 emissions  
equivalent to

**55.14**

Home electricity use  
for one year

Carbon sequestered  
equivalent to

**337.35**

Acres of U.S. forests in  
one year

CO2 emissions  
equivalent to

**313,468**

Pounds of  
coal burned

Note: All calculations are approximate. Diversion Equivalency Metrics pulled from the EPA Equivalences Calculator and are accurate at the time of printing.
