L SERIES STEEL STORAGE

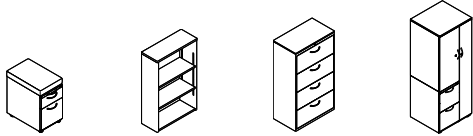

Exceptional Quality and Value

L Series Storage can easily integrate with any AIS desking or systems solutions. Multiple options for storage and organization make it easy to meet the needs of many users.

Performance Details

- Lateral files accommodate letter, A4 and legal-sized filing and include front-to-back conversion bars for each drawer.
- Standard side-to-side hanging bars and optional front-to-back hanging rails ensure maximum filing capacity.
- 2-Drawer lateral files have overlay front. 3, 4 and 5-Drawer lateral files have picture frame fronts.
- File drawers have full-depth, smooth riding ball bearing suspensions.
- All lateral files are standard with locks.
- 5-Drawer lateral files feature a recessed flipper door on the top drawer with a roll-out file shelf.
- 1" leveling glides provide adjustment of files on uneven floors.
- 2-Drawer lateral files standard without top for use under worksurface. Available with laminate top for small upcharge.

Statement of Line

See price list for complete statement of line.
