

LAPTOP TABLE

AIS

CONVENIENT & AGILE. THOUGHTFUL DESIGN.

Designed for versatility, convenience and durability, AIS Laptop Tables provide portable workspaces for collaborative or individual concentration needs. Pair it with LB Lounge backless, ottomans, and sofas to create a comfortable and energizing environment.

With a slim, steel profile base, the table can slide under or sit next to most seating — or discretely rest adjacent to seating allowing any space to become a workspace. The three neutral Thermofoil options for the worksurface complement any office environment.

Features

- 3/4" thick top is available in three Thermofoil finish options unique to AIS laptop tables – Cloud, Glacier White and Shark Grey
- Thermofoil is standard with PerformEx® providing scratch and mark resistance durability
- Lightweight and easy for users to carry or move
- 2" x 2" steel leg offers strength and durability
- Leg/base can be specified in any of the standard AIS paint finishes
- Slim steel base profile to fit easily beneath or next to seating options
- Standard with pencil groove and tech cradle to prop cell phones or tablet
- Back cut out for routing cable to floor for charging capabilities
- Standard with bag hook under worksurface
- Optional with USB Power E-dock 110 or 120 add-on accessory that can route through leg
- Pairs easily with LB Lounge Collection to create individual or collaborative work environments

Dimensions

- Worksurface: 19" W x 12" D
- Height 25.94"
- Base plate dimensions: 19" x 12"

Add a pop of color with a variety of grade C paint options.
