COLLECTION

CASCADES SERIES

Form Meets Function

The Cascades Series combines an approachable design with lasting durability. Featuring sturdy tubular metal construction, curved back for ergonomic support, and slotted surfaces for ventilation and water drainage. Marine grade powder coated finish ensures Cascades is built to withstand the elements for year-round use.

Features

- Series includes seating, stools, and dining tables (counter and bar heights included), benches and occasional tables
- All metal design with tubular support shared throughout the series
- All dining tables have an optional umbrella hole (umbrellas not offered through AIS)
- Slotted cut-outs for ventilation and water drainage
- Curved backrest for added comfort
- Two step paint process: Electrocoating (e-coat) followed by marine-based powder coating ensures unmatched corrosion resistance, UV resistance and increased durability to protect against the elements of outdoor use — see price list for more information.
- Crafted with weather resistant materials to resist corrosion for year-round use in all climates
- Durable construction to endure weather and high traffic use
- Ideal for outdoor and indoor spaces
- Weighted for outdoor use
