

PIERCE™
Seating

AIS

COMPLETELY **BOLD.** EVER PRACTICAL.

From the cafeteria to the training room, Pierce always makes the right impression. Contoured polypropylene seating surfaces comfortably support users while adding a pop of color. For longer term seating needs, choose an upholstered seat cover in a range of materials and patterns that suit your space. Available in chair and stool versions, Pierce stacks eight high on the floor or 30 on a dolly, and is easy to stow.

A chair for all occasions.

Comfortable, durable, and ready for work. The Pierce chair and stool feature a tubular grey frame with wall-saver legs. Seat and back shells can be specified in five colors and are easy to clean.

PIERCE

Short-term sit. Long-term value.

Seat Depth	17.5"

Stacks eight high on the floor or thirty high on a dolly

When not in use, Pierce can be stacked eight high and stowed.

A range of colors

Pierce can be specified in a range of colors. Seat and back colors always match, unless upholstered seat is chosen.

Choose glides or casters

Pierce chair comes with interchangeable black glides or casters; stool available on glides only.

Optional upholstered seat shell

A comfortable fabric seat can complement the polypropylene seat back.

Please request samples to view before specifying, as the colors, materials, finishes within our printed and electronic literature may vary due to the printing processes and/or viewing screens used.
