LEED - Applicable Topics and Credit Intent

Material and Resources, Credit 2, Construction Waste Management

AIS packaging material is 100% recyclable and there is an option to have the product blanket-wrapped or shipped without skids.

Materials and Resources, Credit 4, Recycled Content

The recycled content of AIS' furniture substantially contributes to the points earned for this credit.

Materials and Resources, Credit 5, Regional Materials

AIS' manufacturing sites are located in Leominster, MA. Products from these sites can contribute to this credit.

Materials and Resources, Credit 6, Rapidly Renewable Resources

AIS can apply raw materials such as a) Fabric (PolyBamboo), and b) Wool that can attribute to this credit.

Materials and Resources, Credit 7, Certified Wood

AIS has the ability to provide customers with FSC-certified wood on select guest chairs that can contribute to this credit.

Indoor Environmental Quality, Credit 4.5, Low-Emitting Materials - Furniture & Seating

AIS furniture is GREENGUARD-certified, which meets the criteria of IAQ pollutants allowable as defined by the credit.
