SIT-TO-STAND MOBILE DESK

WORK WHERE YOU WANT, HOW YOU WANT

The Sit-to-Stand Mobile Desk is your personal desk for the fluid workplace. Mix it into any work environment and give users true freedom to move from open plan to collaborative spaces and beyond with ease. One mobile desk. Multiple heights. Six tilt positions. Infinite ways to work.

Features

- Supports short and long term work, alone or collaboratively
- Moves with users throughout the day for use in different settings
- Designed for dual-purpose as a desk or podium
- Pneumatic height paddle adjustment encourages sitting or standing to support posture shifts throughout the day (Height Range: 29.9" – 42.9")
- Pivot top angles toward user with a simple lever adjustment, offering up to 30° of worksurface tilt with six preset positions
- Optimal worksurface supports most daily needs (26" W x 20.5"D; .71" thick, 17.6 lb capacity)
- Mobile base can be secured with locking front casters. Base designed to accommodate users' feet whether seated or standing. Base: (25.6" W x 21.7" D)

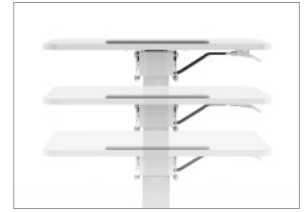

Finishes

Matte white laminate and edge banding with Satin White Leg

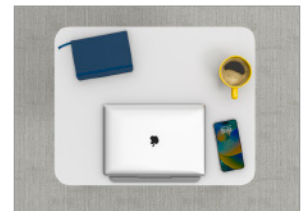

Two-tone casters are white and grey

Convenient paddle provides 13" of pneumatic height adjustment.

Six preset positions offer up to 30° of tilt adjustment with the touch of a lever.

Generously sized worksurface supports a range of users' daily work needs.

Base allows for easy movement and gives ample space for user's feet while bag hook keeps personal items off the floor.
