

STOW™

Seating

AIS

HEAD-OF-THE-CLASS
FEATURES. DAY-TO-DAY
CONVENIENCE.

A quick learner.

Designed for training and learning spaces, the Stow multi-purpose chair is perfect for seminar spaces, auditoriums, classrooms and collaborative areas. Its mesh back offers breathability, and the flip-seat functionality makes it easy to nest multiple chairs when not in use. That's convenience that counts.

Small gathering.

Stow is perfect for small meeting rooms and collaborative spaces with its agility and light scale.

STOW

Stow is a friendly and highly functional seating solution you'll quickly appreciate. Designed to fit 95% of body shapes and sizes, Stow is sure to bring comfort and convenience to a broad range of users.

Free float/Reclining back

Chair back offers free movement and reclines 12 degrees. It can also be locked with a simple turn of the knobs on both sides of the frame.

Optional fold-away tablet arm (right-handed only)

Tablet comes with a spring-loaded cup holder and can be rotated easily out of the user's way. Stow also nests with installed tablet arm.

Glides or Casters

The casters and glides are easily interchanged.

Small footprint nesting

Stow can be nested with the flip of a seat.
