# AIS

AIS, along with other manufacturers, was chosen to showcase our capabilities and product quality for Vertex's temporary space until their new building is ready in 2013. The new building will house over 3,000 employees.

For this project, AIS utilized the Matrix and Calibrate products to provide customized workspaces for Vertex.

## CLIENT COMMENTS

"AIS is a great company for the value that they provide as well as the excellent service offered. AIS and our local dealer have demonstrated the ease of doing business and have been very responsive on all levels."
